

ELECTIONS 2018: SEEKING FISCAL SOLUTIONS

An AARP Illinois, NPR Illinois, and Illinois Issues Forum

For too long the state of Illinois has suffered through a lengthy fiscal crisis that continues to impact all of its citizens. When will state finances be restored, service providers paid, vulnerable residents in need of caregiving services receive proper attention, and the state's debt burden be resolved?

We must continue to pressure our elected officials to work together and find solutions to answer these questions that have the state of Illinois in such distress.

On **October 2, 2018**, join AARP Illinois, Chicagoland leaders for a Town Hall meeting in Chicago's Little Village/Pilsen Neighborhood, to share your story on how the fiscal crisis is impacting your community.

Make sure your voice is heard! Stand up and share how Illinois' prolonged fiscal crisis is impacting your life! Find out what challenges lie ahead for all Illinois residents.

The event is FREE, Refreshments will be served. All must register to attend.

There will be a Facebook Live program from 5:30 to 6:30 p.m. with a live panel discussion and audience Q&A immediately following. The program will be audio-and video-recorded and broadcast live by NPR Illinois.
